

PROTECT YOUR LIFE WITH PROTECTOR

POSTER AND SAFETY SIGN

A part and parcel of **Protector Firesafety India Pvt. Ltd.**, one of the foremost manufacturers, dealers and distributors of Personal Protective Equipments (PPE's) of supreme quality since 1989, Signages Design Unit is an in-house facility of ours where custom-designed and durable, safety as well as architectural beautification signages, are produced.

Manufactured in our own workshop, our signages speak of our experience, attention-to-detail, and our commitment to providing the best possible at a competitive price.

Having designed and installed over 5000+ signs for industries ranging from construction, education, chemicals, healthcare, transport, hospitality, and others, we specialize in creating architectural beautification signages for both residential and commercial buildings that include informative, directional, identification, and safety signages.

You name it and we make it.

Sizes and styles don't matter to us. Whether you want it wall-mounted, projected, suspended or in opti-frame, in aluminum, acrylic or S.S. directory, pylon form, LED thinlight hoarding and 3D signs, or canvas frame, signs of your choice of size, style, material and design will be engineered at the hands of our experienced staff.

Our quality signs, labels and solutions with pretty spectacular designs ensure that they guide and inform viewers within a specific site, without any confusion and create a welcoming and safe environment for them.
